**U.S. Must Alert Allies,
Allen Dulles Says**

CPYRGHT

NEW YORK.—(U.P.)—Allen W. Dulles, director of the Central Intelligence agency, said Tuesday night this country must awaken its allies and other countries to the dangers of international communism.

"In this country we are fairly well awakened to the danger," Dulles told the annual New York Herald Tribune forum. "But in many countries in Europe and Asia, and even elsewhere in this continent, there are those who still are blind enough to believe that the local Communist parties are mere parties of social protest."
